# 2"TITE SEAL™NYLON PLUGS BOX OF 500

500/box

with Buna Gasket, White Poly-irradiated gasket, Poly-irradiated Gasket, and EDM Gasket.

**SKU:** 2TNPI | **Categories:** Nylon Plugs , Steel Drum Closures and Accessories | **Tags:** Nylon Plugs , Plug Gaskets , steel drum closure , steel drum closures , Tite-Seal™

## PRODUCT DESCRIPTION

The nylon is FDA listed so it can be used with food products and it is FM approved fire rated. These plugs will melt quickly when exposed to high temperatures releasing the pressure from the inside of the drum and avoiding an explosion. Recommended for flammable chemicals and substances.
