PRODUCT DESCRIPTION

The **FreezePro™ Non-Heated Tote Tank Insulation Jacket FPT19242-NH** provides temperature stability for temperature-sensitive products during the transport, handling and storage of chemicals, fluids and bulk materials in tote tanks. The **FreezePro™ Non-Heated Tote Jacket FPT19242-NH** is designed for use with **FreezePro™ Tote Tank Insulation Lids**, which must be purchased separately.

FreezePro™ Frost Protection Systems are designed to meet the most rigorous storage and temperature requirements of most industrial fluids or substances. They offer an all-in-one energy efficient system that increases revenues and improves operational efficiencies. All **are** removable, reusable and weather resistant. They are long lasting, durable, UV stable and 100% asbestos free.

Unlike most removable insulation systems, **FreezePro™ Frost Protection Systems** come in standard, universal sizes that are available for off-the-shelf delivery. **FreezePro™ Frost**

International resources for your world

Protection Systems are designed to fit an array of sizes and can be used on almost any application that requires freeze or frost protection; temperature or chemical stability; and stress-free bonding or flexible encapsulation.

When used as a preventive maintenance product, **FreezePro Frost Protection Systems** pay for themselves immediately upon the first freeze of winter. Few prevention type products will pay for themselves as quickly and with as little upfront effort, as **FreezePro®**.

And there is no equipment downtime when installing **FreezePro products**. They are simple and quick to install without tools!

PRICE: \$1195.00

SPECIFICATIONS

SKU: FPT19242-NH

Size: 192 in circumference, Length 192 in, Height 42 in

Insulation Material: EPDM Rubber Foam

Jacket Material: PVC Fabric

Fastening System : Polypropylene Webbing, Plastic Side-Release Buckles

Color : Black

Weight: 50 lbs

Approx "R" Factor : .48

Temperature Range: -40°F / -40°C to 200°F / 93°C

Install : [FreezePro™ How to Install Worksheet](#)

Measure: [FreezePro™ Tote Tank How to Measure](#)
